

TOP SECRET

Official Diary

Monday, 27 August 1951

Talked to Dr. Langer on memorandum from [redacted] in regard to a proposed NIE on 8 or 10 of the most significant indications. This will be brought up at the next IAC meeting for further clarification.

25X1

Called [redacted] and told him in regard to O/CI publications that Labor Day should be treated as a Sunday.

25X1

Arranged with Mr. Peel about moving Mr. Dulles downstairs.

[redacted]

25X1

[redacted] and Colonel Hansen reported on their meeting with Mr. Gleason of NSC in regard to our contribution to the revised NSC 68. A draft will be prepared and circulated at the IAC meeting this Thursday and the IAC members will be asked for comments by Monday.
